

## Evolution of the 'Debating Europe' platform

(January 1, 2016 – March 31, 2017)

The comparative analysis took into account all the debates published on the seven debate channels.

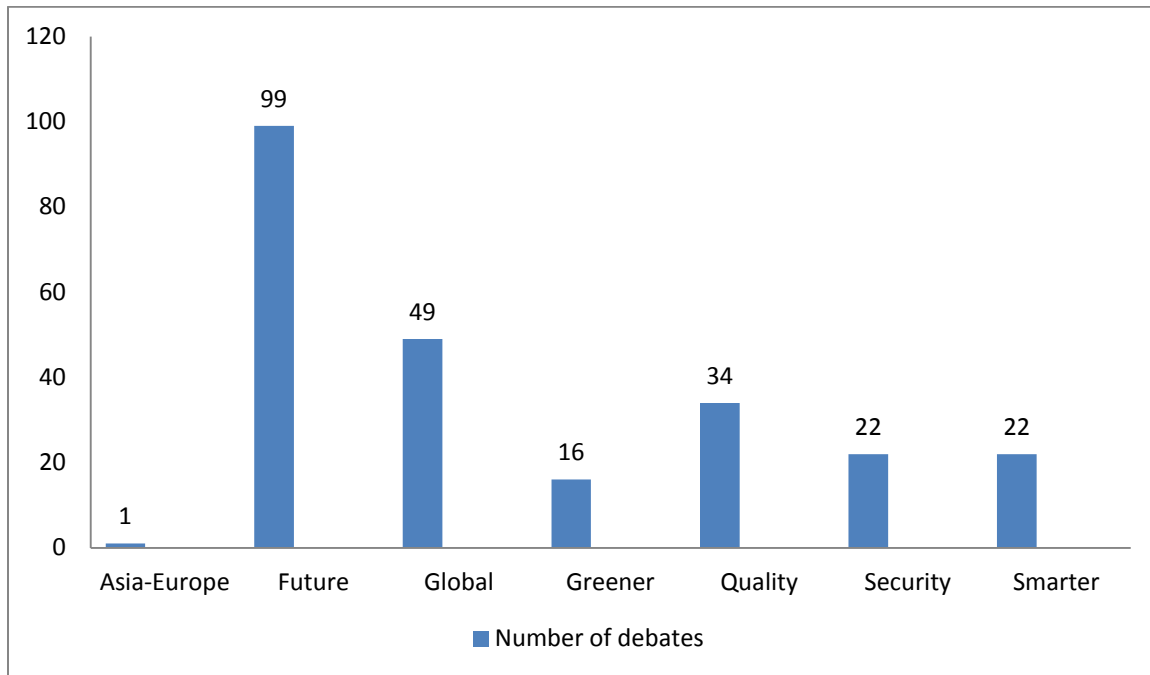

The categories taken into account were:

- Number of debates
- Number of comments
- Types of stakeholders (interviewed at the beginning of each debate)
- The evolution of debates/ month for each channel
- The evolution of comments/ month for each channel
- Top ten most commented debates/ channel

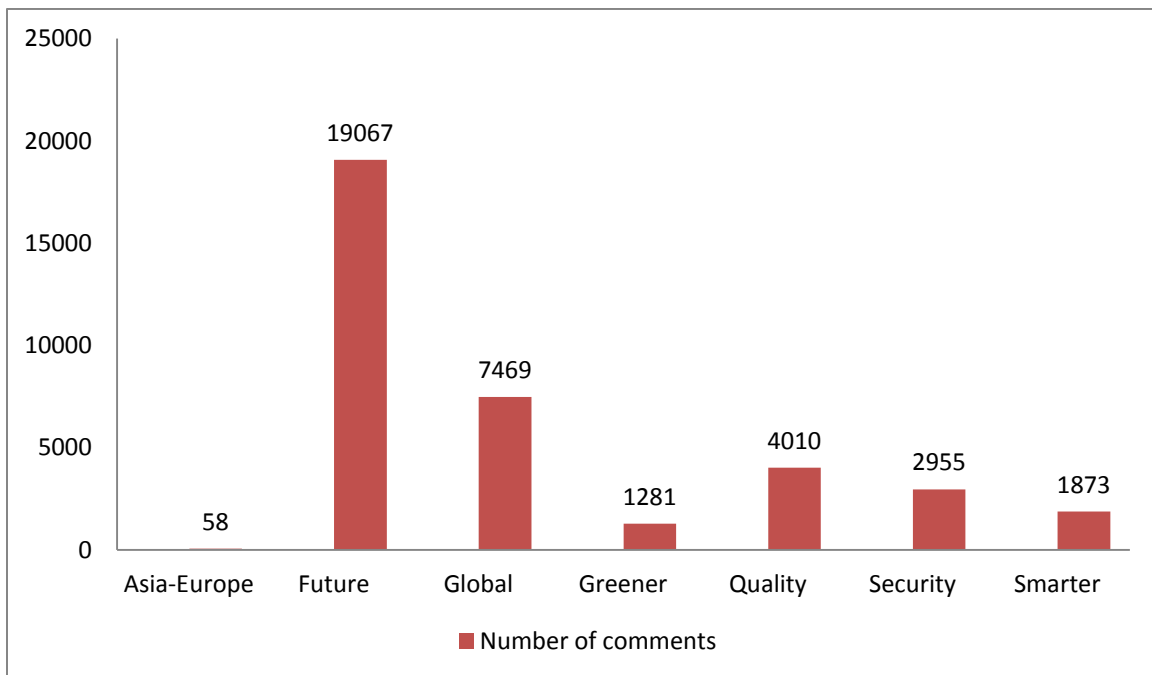

## Number of debates/ channel

(January 1, 2016 – March 31, 2017)

## Number of comments/ channel

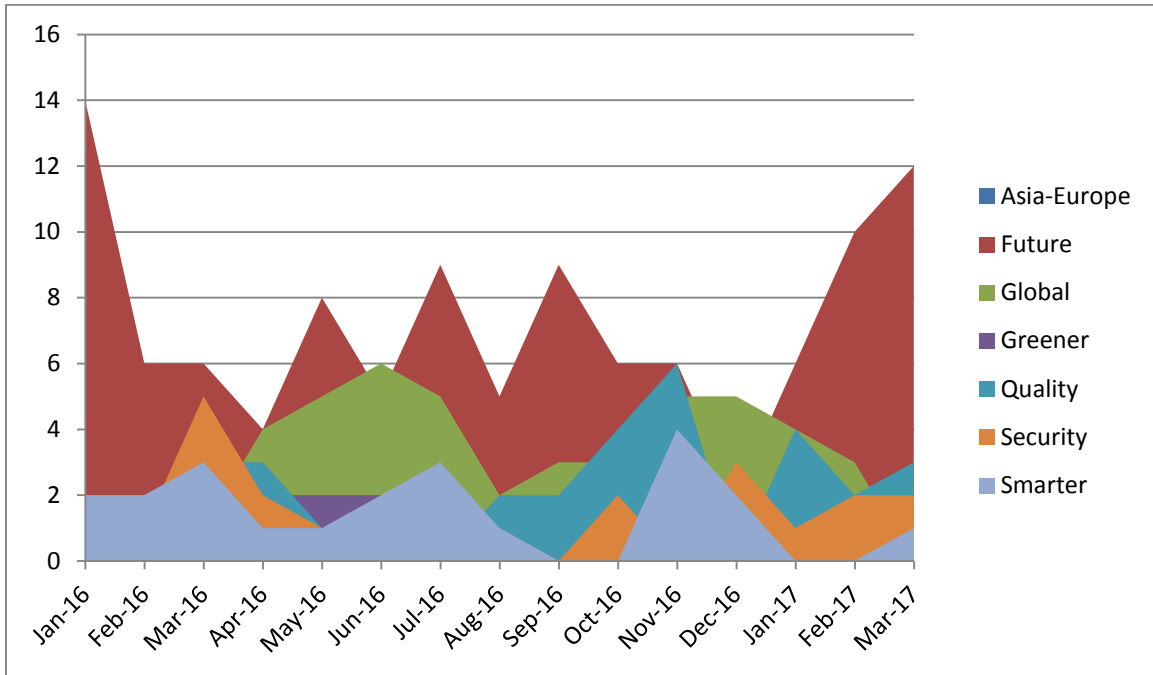

(January 1, 2016 – March 31, 2017)

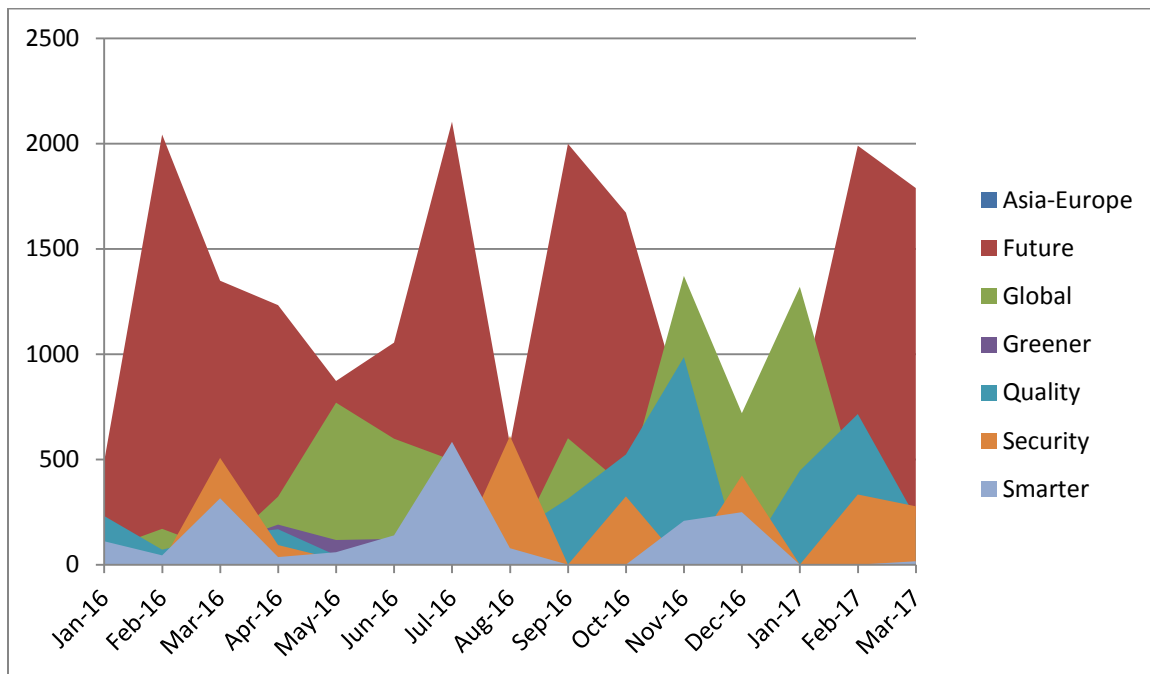

## The evolution of debates/ month for each channel

(January 1, 2016 – March 31, 2017)

## The evolution of comments/ month for each channel

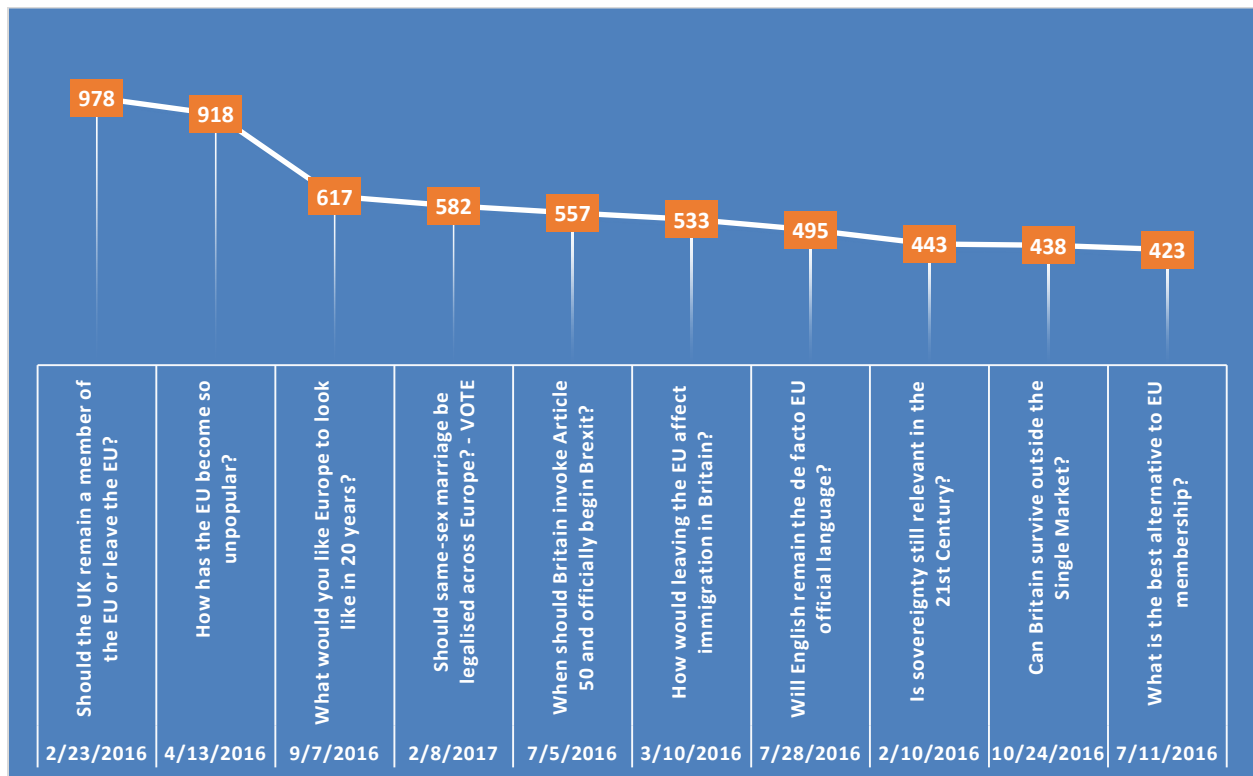

(January 1, 2016 – March 31, 2017)

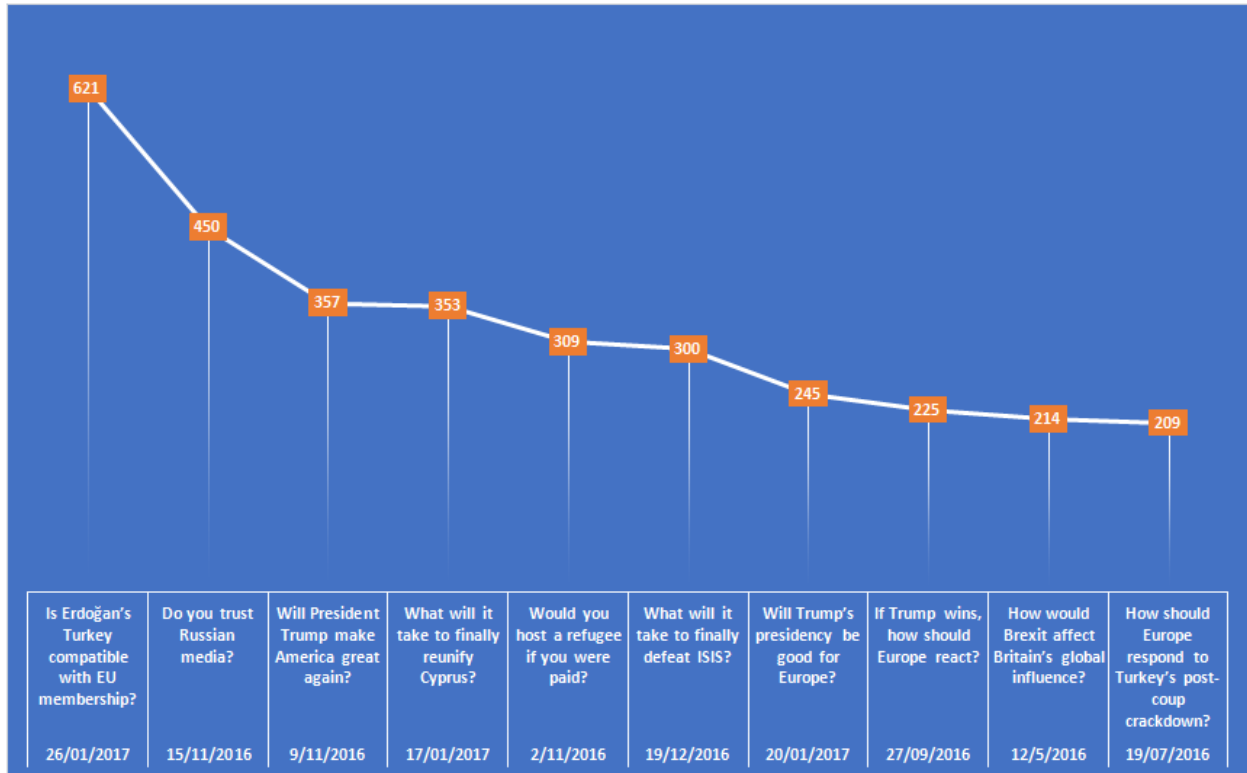

## Top ten most commented debates/ channel

(January 1, 2016 – March 31, 2017)

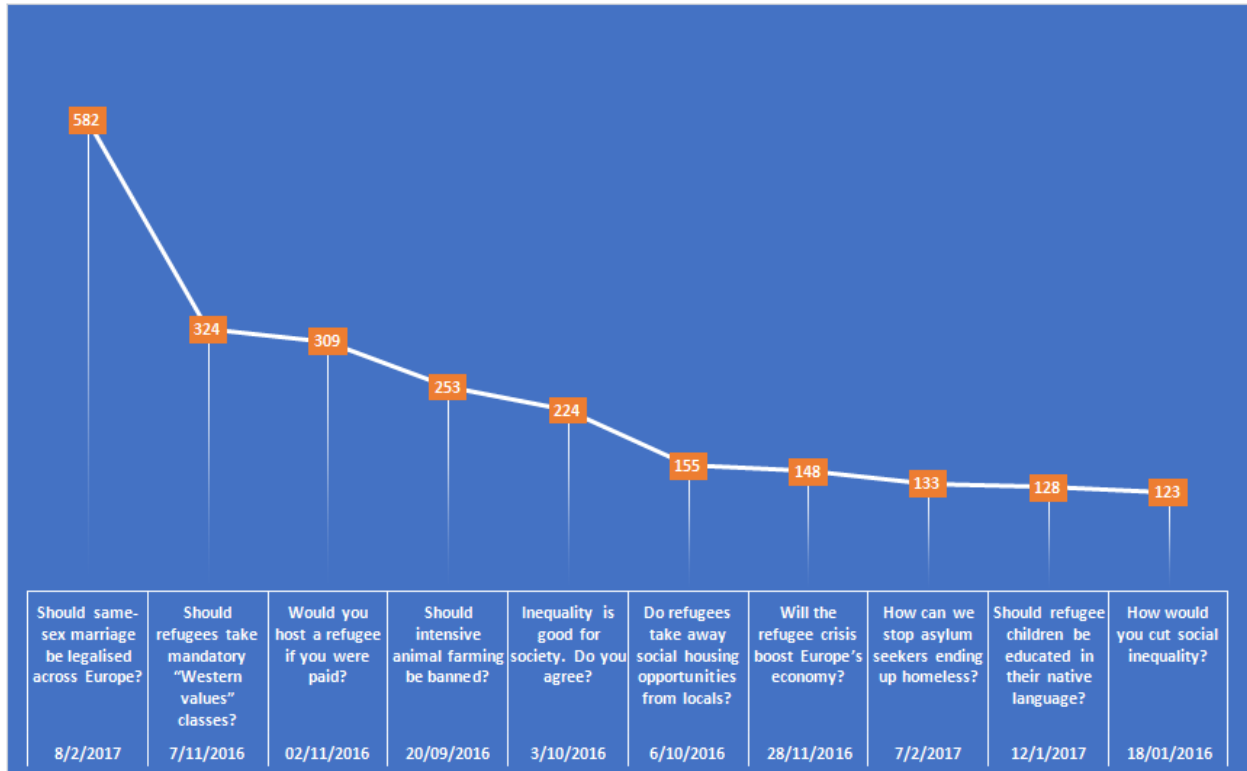

### Future channel

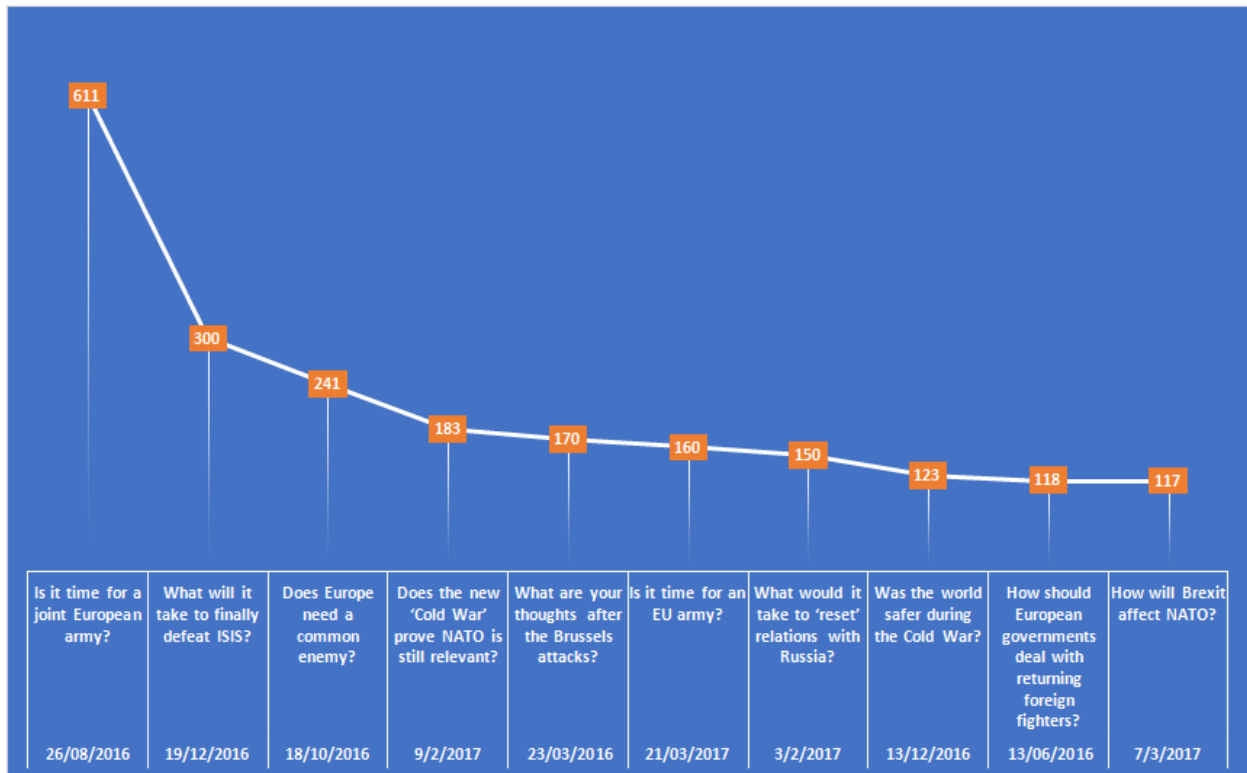

## Global channel

## Quality channel

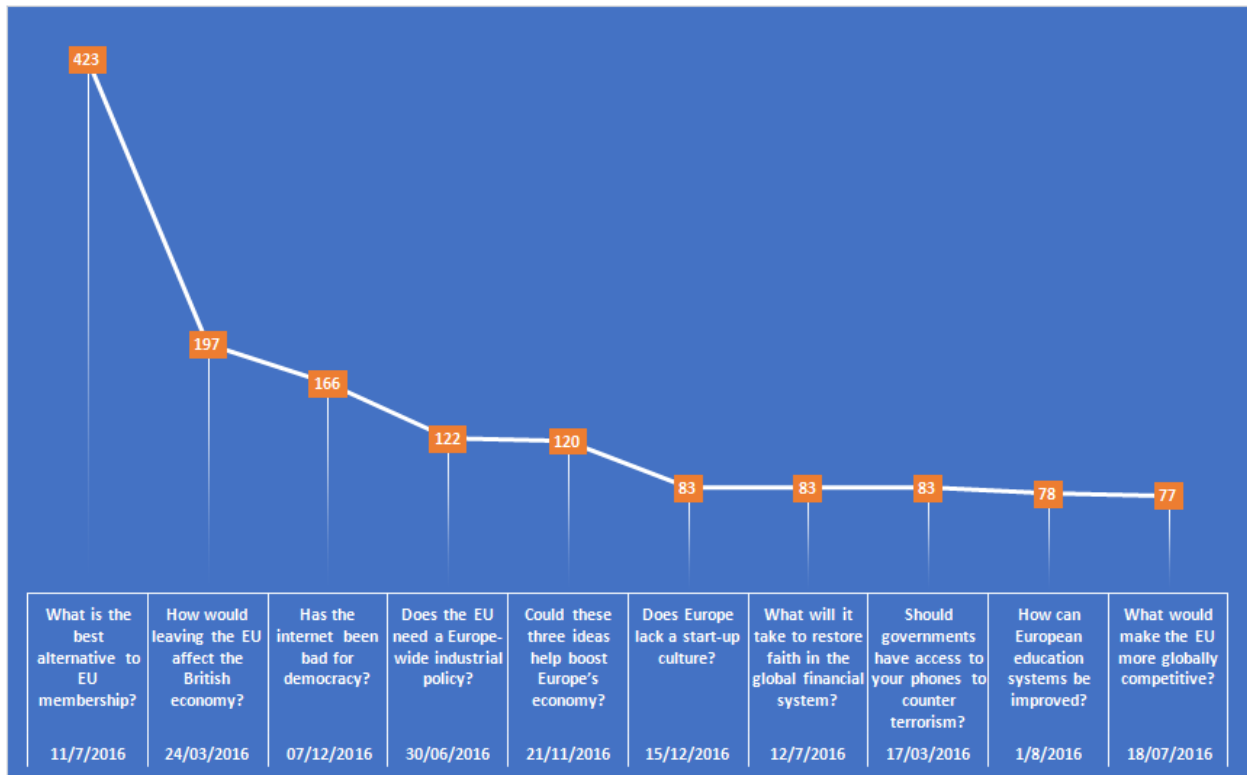

## Security channel

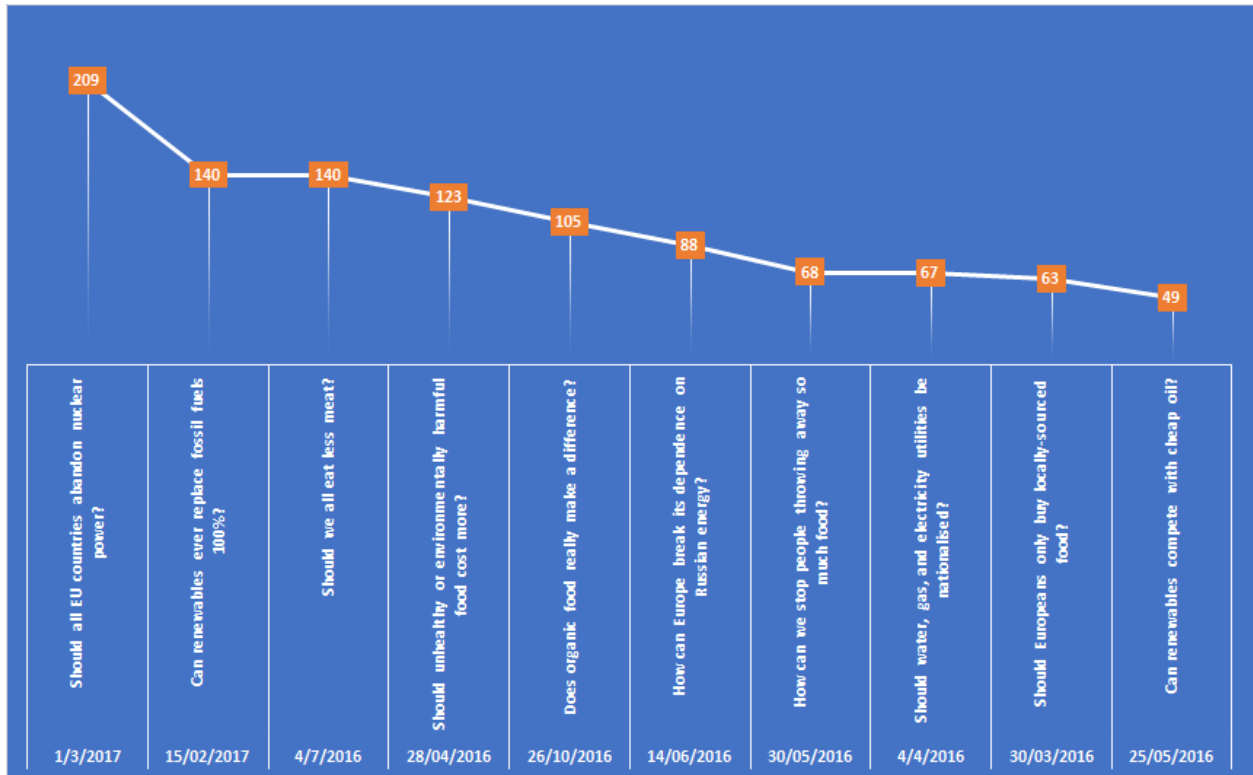

## Smarter channel

## Greener channel

## Asia-Europe channel
